

Dr. K. K. HEGDE.—No definite report has been published.

Sri J. B. MALLARADHYA.—Are the results of investigation conducted in the Vaccine Institute and at Malaria Investigation Centre published?

Dr. K. K. HEGDE.—Investigations are not conducted in these places. The samples are sent to Poona for further investigation.

Sri J. B. MALLARADHYA.—You say that investigations are being conducted.

Dr. K. K. HEGDE.—Investigation does not mean investigation of a particular infection. How they spread and all that is investigated. We have deputed some medical practitioners to Poona for training. Laboratories have been established and in some cases blood has been sent to Poona for further investigation.

Sri B. RACHIAH.—Is there any interim report?

Dr. K. K. HEGDE.—No, so far as I know.

ಶ್ರೀ ಡಿ. ಬಿ. ನಿತಾರಾಮರಾವ್.—ಈ ಕಾಯಿದೆ ಎಷ್ಟು ಮೈಲಿ ಪ್ರದೇಶದಲ್ಲಿ ಬಂದಿದೆ? ಮತ್ತು ಎಲ್ಲ ಬಂದಿದೆ ಎಂಬುದನ್ನು ಹೇಳುತ್ತೀರಾ ಸ್ವಾಮಿ?

Dr. K. K. HEGDE.—I do not know the actual area in square miles. It is restricted to Shimoga District.

### Reservation of Posts in the Secretariat for the Officials of the Departments.

Q.—2370. Sri M. C. NARASIMHAN (Kolar Gold Fields).—

Will the Government be pleased to state :—

(a) whether the Government issued an order in 1945, reserving half the vacancies in the Secretariat for recruitment from among the officials of the departments;

(b) whether officials from the departments working in the Secretariat in pursuance of the said order are treated as on promotion or on transfer;

(c) whether any action has been taken or is proposed to be taken to protect their prospects, etc., by taking

their entire service including that in the department into consideration for purposes of promotion, seniority, etc.;

(d) if so, whether any representations have been received in this regard and, if so, the action taken thereon?

A.—Sri B. D. JATTI (Chief Minister).—

(a) Yes. Government of old Mysore in their Order No. E. 5340/R&PS 49-44-1, dated 2-5-45 directed that 50 per cent of the direct recruitment vacancies in the Secretariat be filled up by the transfer of competent and deserving graduate officials working in other departments.

(b) They were treated as on transfer.

(c) It was decided after examination of the question and in consultation with the P.S.C. that the rank of these transferred officials should be fixed in the Secretariat with effect from the date of their entry in the Secretariat.

(d) Yes. There were representations from the transferred officials to fix their seniority in the Secretariat taking their past service in their parent departments. The representations have been turned down since Government feel that there are not sufficient grounds to depart from the decision already taken.

Sri M. C. NARASIMHAN.—Supplementary to (b): May I know whether transfer can take place between equivalent grades or higher grades?

\*Sri B. D. JATTI.—Here, the question is not of grades. Some officers are required in the Secretariat. So, officers from departments are taken on transfer basis.

Sri G. VENKATAI GOWDA.—Are the Government aware that transfers were effected purely in the interest of public service and also of Government as evident from the Government Order?

Sri B. D. JATTI.—Yes.

Sri M. C. NARASIMHAN.—May I know if in subsequent cases the Public Service Commission have stated that the entire service of an incumbent should be taken into account whether in his department or in the Secretariat,

\*Asterisk indicates that the remarks or speeches have not been revised by the member concerned.

Sri B. D. JATTI.—That is not correct. We have consulted the Public Service Commission. They have agreed for transfer and the grade will be the same but they will be entitled to get 10 per cent Deputation Allowance.

Sri J. B. MALLARADHYA.—With reference to the answer to (d) may I know whether the Public Service Commission was consulted before the representations were turned down?

Sri B. D. JATTI.—Yes.

Sri M. C. NARASIMHAN.—Were the officials told before they were brought to the Secretariat from their departments that their service in the department would not be counted?

Sri B. D. JATTI.—There was no occasion to tell them. When a request was made they accepted and they have been working in the Secretariat. They have now represented and their cases have been referred to the Public Service Commission.

Sri G. DUGGAPPA.—Just now the Hon'ble the Chief Minister was pleased to say that these officials were given ten per cent Deputation Allowance; may I ask the Government whether the services of these Government servants were transferred to the Secretariat from their parent departments or whether they were deputed for certain duties in the Secretariat?

Sri B. D. JATTI.—They have been transferred from the different departments where they were working.

Sri G. DUGGAPPA.—May I ask whether they would have been given Deputation Allowance if they were actually transferred from their parent departments?

Sri B. D. JATTI.—They were given Deputation Allowance because the scales of pay of officials working in the Secretariat were higher as compared to their scales.

Sri G. DUGGAPPA.—May I know the nature of work that these officials were entrusted with in the Secretariat?

Sri B. D. JATTI.—Normal work of persons in different cadres.

Sri G. DUGGAPPA.—May I know whether at the time of transfer of these officials from their parent department, they were questioned?

Sri B. D. JATTI.—That I have already replied.

Sri G. VENKATAI GOWDA.—When these officials were taken at the instance of Government, is it not incumbent on them that they should protect the seniority of these officials?

Sri B. D. JATTI.—Their seniority is not at all affected because they will go back after five years.

Sri G. N. PUTTANNA.—How many officials were taken from different departments to the Secretariat?

Sri B. D. JATTI.—23.

Sri G. N. PUTTANNA.—When once they are transferred it is deemed that they have been taken to the Secretariat. What about their future progress if their claims are turned down?

Sri B. D. JATTI.—Their claims have not been affected because they have to work up to a period of five years only.

Sri G. N. PUTTANNA.—Are they so incapacitated that they should be sent back after five years?

Sri B. D. JATTI.—After the Civil Supplies Department was started direct recruitment was made from outside. At that time the Government felt that the officials who were recruited directly were not up to the mark and so some of the officials working already in different departments were taken to the Secretariat.

Dr. R. NAGAN GOWDA.—May I know whether these officials are allowed to go back out of their volition or whenever the Government wants them to go?

Sri B. D. JATTI.—Both the things are possible.

Sri J. B. MALLARADHYA.—Are the Government aware that as far back as 1945 when these officials were recruited to the Secretariat they were definitely informed that their seniority will not be affected and their service will count from the date on which they were recruited to the Secretariat?

Sri B. D. JATTI.—Government have no information.

Sri G. VENKATAI GOWDA.—Will not continuous service be taken into consideration while equating and preparing *Inter se* Seniority List?

Sri B. D. JATTI.—The question of equation does not arise.

**Sri G. VENKATAI GOWDA.**—Will not continuous service be taken into consideration while fixing up *inter se* seniority?

**Sri B. D. JATTI.**—Their continuous service will be taken into consideration.

**Sri G. VENKATAI GOWDA.**—Then why should not that principle be applied in the case of these officials?

**Sri B. D. JATTI.**—When the question comes regarding the cadre.

**Sri M. C. NARASIMHAN.**—Now that representations have been received that hardship has been created in this regard, would you reconsider those cases or would you refer them to the Public Service Commission again?

**Sri B. D. JATTI.**—This question was referred to the Public Service Commission and Government also considered it otherwise. After full consideration the question has been decided.
